

## Exhibit C

**XEROX CORPORATION**

Xerox Square  
Rochester

**Attn. Mr. Robert Hutter,  
Xerox Patent Counsel**

Zaventem, September 14<sup>th</sup>, 2010

Dear Robert,

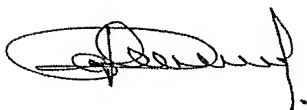

**Ref: inventions by Mr. Patrick Perdu**

This letter is to confirm, for the avoidance of doubt and on behalf of N.V. Xerox S.A., that all intellectual property rights, including the patent rights on inventions, which N.V. Xerox S.A. has been the owner of on the inventions made by **Mr. Patrick G.L. Perdu** in the context of his research activities, in the context of his employment with European Engineering Systems N.V. (hereafter "EES"), have been transferred to Xerox Corporation.

As a consequence thereof, we confirm that Xerox Corporation was and still is entitled to apply for a patent on the invention described as "offline market post processing of printing media" in its application filed on August 1<sup>st</sup>, 2003 (serial n° 10/633, 351 – attorney docket 690-011194-US (PAR) / D/A 1605).

This letter may be brought to the attention of the United States Patent and Trademark Office.

Sincerely yours,

Bernard DE COOMAN,  
Director Human Resources.
